“Intra-organization Communication is the Life-Blood of our organization.”

The AASBCR[®] has completed its collection of contributions to the National Retiree Legislative Network Special Appeal. AASBCR[®] asked you to support this effort to advance the three priority items by providing a special contribution to the NRLN Special Appeal to further legislative work on:

- 1) Protection of Defined Pension Plan Assets
- 2) Maintenance of [Benefit] Cost Payment for health care
- 3) Medicare Reform – Inclusion of Catastrophic Coverage.

AASBCR[®] thinks this is very important to the success of making the NRLN proposed changes into law. You agreed. You came forward and contributed your hard earned money. As a result, AASBCR[®] and its members contributed a total of \$3030.00 to the NRLN Special Appeal. AASBCR[®] has concluded collecting contributions for the fund. Anyone who missed contributing and those wishing to make an additional contribution can do so by mailing their check directly to the NRLN. Make the check payable to “NRLN”. Mark NRLN Special Appeal on the memo line and send to:

NRLN Special Appeal

The AASBCR[®] team appreciates your support for this worthy cause.
