*“Intra-organization Communication is the Life-Blood of our organization.”*

**This bulletin is to inform AASBCR® members that AT&T is looking for temporary staff and has hired a staffing agency to assist them. The following message was sent from Maureen Bauwens a recruiter at [www.theplanetforward.com](http://www.theplanetforward.com) with a request to share it with AASBCR® members:**

“We are a staffing company located outside of Chicago and are currently recruiting on a national basis for AT&T. As I'm sure you are aware, AT&T is constantly changing their hiring needs but currently the following positions are available:

- Network Services Support-Network Technician
- Application/SW Development Support
- Engineer-Network Technician

The above mentioned positions have openings in New Jersey, Washington, Georgia and Florida. The positions typically last anywhere from 3 mos. To 2 yrs.

I appreciate your assistance in communicating to your members the available opportunities which my company currently has. Should anyone be interested in pursuing contract employment with AT&T, please have them contact me.

Thank you,

Maureen Bauwens
