AASBCR SHAREHOLDER PROPOSAL MAKES NEWS!

Yesterday, March 7, 2007, AASBCR President Bruce Beckman appeared on the CNBC show "Street Signs" at about 2:17 p.m EST to discuss our Shareholder Proposal. Except for a small statement that they would comply with the SEC ruling that this proposal is valid, AT&T declined to participate in this airing.

You will have to view a short Sam Waterston Ameritrade commercial before the actual broadcast is played.

As soon as it is available, we will publish a short article requesting your proxy votes.

We have taken the first step in this endeavor.

If you do not have a computer and wish to view this video clip, either ask a friend with a computer to show it to you or visit your local library. (The Library staff loves to show off their computers!)
