## Blue Bulletin

Vol.7 No.2

January 13, 2012

*Proudly working on behalf of retirees of the Bell System and successor companies of the New AT&T, located worldwide*

### **At&T Annual Enrollment Period 1/3/12 - 1/31/12**

AT&T has announced the Annual Enrollment Period for Your Personal Plans Program, paid voluntary benefits managed by Marsh Voluntary Benefits.

What do these plans offer?

With the Financial Planning Program, there is access to financial planning tools, and educational materials to make informed decisions about finances. Contact with a financial advisor. Access to personalized focus reports on retirement planning, college funding, and asset allocation. Professional guidance on any financial planning issue.

The Legal Services Plan offers preparation of wills, living wills, and trusts, purchase and sale of primary residence, identity theft issues and more. Legal defense against civil damage claims. **Defense of civil damage is effective 3/1/12.** Provides defense if being sued by another party for damages. Claims involving the ownership or use of a motorized vehicle or claims covered by other insurance are NOT covered.
